“Live A Healthy Life ... Recreate”

The “Live a Healthy Life ... Recreate” logo identifies programs and activities that offer a health and wellness benefit to the participant. One of the most important issues communities face today

is a staggering increase in the rates of obesity and chronic disease. Throughout San Diego County, parks and recreation agencies have joined together in a campaign to create healthy communities and provide extended opportunities for residents to be physically active. The most common benefit of participation in a recreation program or class is derived from aerobic exercise, which moves large muscle groups and causes you to breathe more deeply and your heart to work harder to pump blood. It's also called cardiovascular exercise. It improves the health of your heart and lungs. For more information on the Greater San Diego Recreation and Parks Coalition for Health and Wellness, please contact Lori Swenck at 602-4680.

Look for the ♥ within this guide to locate a class or activity that provides a physical activity benefit.

Registration Policy

Preregistration is required for all listed Recreation activities. Programs are filled on a first-come, first-served basis with waiting lists as necessary for each session period. An exception exists for the following programs: Ballet, Tap & Jazz, Gymnastics and Preschool. For these programs, Carlsbad residents will have priority and additional restrictions may apply. See the corresponding program descriptions for details.

Waitlist Policy

If an opening occurs in a class we will offer the class to the first Carlsbad resident on the waitlist. We will call and leave a message that an opening is available. You will have 24 hours to respond to our call and then we will call the next person on the list. Priority will be given to Carlsbad residents. Once the class is less than 24 hours out from starting, we will call down the waitlist and the first person to respond will be able to enroll in the class. We appreciate your patience and understanding with this process.

Priority Classes

Priority Classes (Teacher Discretion) have been established in programs where the class levels are a continuation of the previous skills. These classes require demonstrated mastery of skills for the safety of the child and an opportunity for enhanced skill development.

Open enrollment month is in August for Dance classes that start in September.

Open enrollment month is in December for Gymnastic classes that start in January.

Priority classes that will be offered on-line are indicated by a cc.

Please contact the Recreation Department at 602-7522 if you would like more information on how to get your child involved or you would like more information about inclusion. If you are interested in requesting an Inclusion Facilitator to assist your child in a program, please contact the Recreation Department at least 3 weeks prior to the start of the program.

Child Safety

For your child's safety, please make sure class is in session and the instructor is present before leaving your child. Parents or guardians are responsible for picking up their children at the end of class.

Alternate Classes, Substitutions

For Drop-in and Mail-in registration, please use the Registration Form. In the event you are unable to register as requested, we will contact you for an alternative. If you are unable to choose an alternative, we will return your check.

Program Changes

Class schedules, fees, instructors, policies and procedures are subject to change. If class minimums are not reached, classes are subject to cancellation.

Proof of Residency

Carlsbad residents must show proof of residency with one of the following:

1. Property tax papers (original or photocopy with registrant's or participant's name). Note: A business OWNER who can show both proof of ownership and property tax payment will qualify, or proof of homeowner's tax exemption, but not employees of the business.
2. Utility/telephone bill (showing participant's/registrant's address)
3. Rental receipt/lease
4. Imprinted address on check (not acceptable if handwritten or with P.O. Box)

Please include a copy of document used for proof of residency. Once you have shown proof of residency at one of the Community Centers, you can set up your on-line ClientID and Family PIN over the phone or in person.

Refund Policy

When the City cancels a fee supported Recreation program, the participant or payee shall be eligible for a full refund.

When a registrant requests a refund prior to the second scheduled class or by trip deadline date and paid their registration by check or cash, the refund will be granted minus a Cancellation Check Processing Fee of \$20, and the prorated fee for the first attended class. If Visa or MasterCard was used to pay the registration fee, the refund will be granted minus the prorated fee for the first attended class.

If the registrant prefers to have a credit to avoid the Cancellation Check Processing Fee, a credit will be issued regardless of method of payment. The credit is good for 12 months from date of issue, and may be used for any Recreation Department program. After 12 months, any unused credits will be written off. Once a credit is issued, it cannot be exchanged for a refund.

Beginning on the second class date, no refunds or credits will be given.

If a registrant fails to attend a program after it begins, the registrant is not entitled to a refund.

There are NO CASH REFUNDS. All refunds will be mailed approximately two to three (2-3) weeks after a request for refund is received.

Some programs may have specialized refund policies. Please check with staff if you have questions. Thank you!

Returned Checks

A \$35 service fee will be charged for all checks returned for insufficient funds.
